

Robotics Academy (FREE)

June 19–22, 2017
8:30 am–3:30 pm

Location: LSC Downtown Center
120 North 2nd Ave.

Academy for students aged 14–16. Students will work in teams at Lake Superior College's Downtown Center to assemble robots, using kits and onsite manufacturing tools and equipment. Guest speakers will talk about jobs in manufacturing and educational pathways. Lunch and snacks included.

Wellness and Massage Therapy Camp

New camp opportunity coming summer 2017.

LSC Summer Academies

Women in Aviation Academy (FREE)

June 19–23, 2017
8:00 am–4:00 pm

Location: LSC Center for Aviation,
Hangar 103 at the Duluth Airport, 4960
Airport Road

A camp for young women ages 15–19 who are interested in learning more about aviation and aerospace careers. You'll have a chance to operate a flight simulator and experience a "Discovery" flight in one of LSC's aircraft. Talks by women working in the aviation industry about career opportunities will be provided. Tours of local aviation industries and the airbase are also planned.

Introductory GenCyber and Advanced GenCyber are academies for students in grades 7–12. These academies are part of a program sponsored by the National Science Foundation and National Security Agency to encourage youth to pursue cyber careers that are key to the cyber defense of the country. Participants will receive a Raspberry Pi. Preference given to females and minorities. Lunch and snacks included.

For registration form and open registration date, please go to: http://www.cis.lsc.edu/?page_id=480

July 18–19, 2017
8:30 am–4:00 pm

Location: LSC Main Campus in the
 H Building

Any student entering grades 6-8 by fall of 2017. Students will spend two days exploring a variety of healthcare careers including nursing, laboratory science, social work and many others. Students will experience these careers through field trips and hands-on activities facilitated by healthcare professionals and college faculty. Students will be provided their own scrubs top to wear and meals are included.

Sponsors: HealthForce MN and Ecumen, Essentia Health Human Resources Recruitment and Essentia Health St. Mary's Hospital Auxiliary, UMD School of Pharmacy and Medicine and St. Luke's.
